

Pattern Making Chant

(Use a 'pointy' finger and large movements)

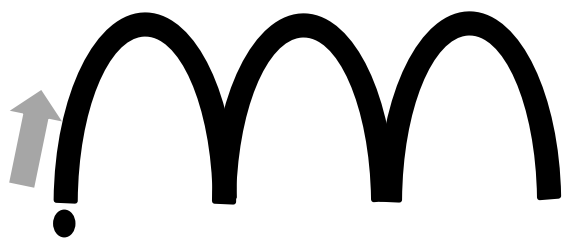

There's a little buzzy bee and it's chasing after me.
It goes round and round and round - (whisper) and round.

There's a little kangaroo and he's hopping after you.
He goes down, up, down, up, down, - (whisper) and up

There's a little croaky frog and she's jumping over logs.
She goes up and over, up and over, up - (whisper) and over

There's a little polar bear and he's diving under there.
He goes down and under, down and under, down - (whisper)
and under

Note:

You need to model the chant in reverse if you are facing the group!
